

# KTU02-8-SC

Fiber Optic Terminal Box Fiber Optic Terminal Box ATB02-8-SC

## Details:

Product: Fiber Optic Terminal Box

Fiber Optic Terminal Box KTU02-8-SC

## Features:

- Small volume, for indoor use.
- Compact structure, convenient installation & maintenance
- 8 outlets for adaptors
- Suitable for FC, SC, ST adaptor
- Strength core and shell are insulation, add with grounding lead
- RoHS compliant
- Supplied unloaded

## Performance:

- Provide straight through connection and branch connection for indoor optical cable.
- Available for the distribution and terminal connection of various kinds of optical fiber system.
- Suitable for mini-network terminal distribution.

## Material:

The body is made from cold rolled steel sheet, and the surface use the technique of electrostatic spraying, 8 outlets for adaptors, available for FC, SC, ST adaptors.
